Hi Bryant,
Did you have a NOFI letter that you sent to Lard Oil that you can email to me for inclusion in the report?

Thanks,
-keith

Thanks, Bryant. This appears to be the results for the 1st and 3rd set of samples we shipped to USCG, totaling 15 samples.
It does not include results for 3 additional samples that we collected on 8/24/2016 and sent to the lab per the attached chain-of-custody and letter of request.

Do you have a 2nd report by chance?

Thanks, -keith
